"DO IT TODAY."

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks.

Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschoe's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use a few days will cure you completely.

No matter how deep-seated your cough, even if dread consumption has attacked your lungs German Syrup will surely effect a cure—as it has done before in thousands of cases of lung trouble. New trial bottles, 25c; regular size, 75c. For sale by DuBois, Kolb & Co.
